## 3D Archery CHAMPIONSHIPS 04 - 08 July 2021

The ideal opportunity to combine your family's love of 3D archery with a wonderful South Pacific Island holiday.

*"What can I say about Norfolk? The whole place is breathtaking! The people that I met, both from the Island and those in the tournament, and on tours, were all friendly and welcoming."*

*The tournament was well organized, the catering and off field activities were all well planned and executed, the field itself was (As I keep telling anyone who will stand still long enough) without doubt the finest 3D field I have shot ...*

*... All these things combined to make this holiday, tournament, trip the most enjoyable experience one could imagine. You can be sure I'll be back."*

G.McMahon Australia – Attendent of the 3D Archery Championships

### Norfolk Island

There are so many reasons to consider a holiday to Norfolk Island, situated a short two hour flight from Sydney or Brisbane and mid-way between Australia and New Zealand.

The beauty of the Island is renowned, with its tall majestic pines, high-rising cliffs, green undulating valleys, lush rainforest and brilliant turquoise waters over coral reefs.

Our little Island is packed full of things to see and do. World Heritage listed Kingston will take you into the history of turbulent convict years and today's vibrant Norf'k culture (born out of the infamous 'mutiny on the Bounty') all of which can be explored via tours, displays and even a chat with a friendly local. Our cafes and restaurants offer delicious meals that are fresh and organic, and local art, crafts, toys, shoes and tax-free items are also amongst shopping highlights.

*Advise Agent if travelling in a group of 10+ (and wishing to stay at the same property) as some properties offer excellent discounts.*
